MISCELLANEOUS LETTER TO EXAMINER

VIA FACSIMILE: 571-273-8300

Mail Stop AMENDMENT  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

I am in receipt of the Official Action mailed on 04/23/2007 in which you included a number of IDS submittals which were initialed as having been considered. However, the IDS submitted on 07/25/2006 indicates that you did not consider the Chinese Patent CN1431584A because a copy of the patent was not submitted, even though Applicant provided a US patent publication number (US20030172252) which is an English-language equivalent application.

Accordingly, to complete the IDS submittal of 07/25/2006, Applicant provides herewith a copy of Chinese Patent CN1431584A for the Examiner's file. No direct translation is readily available.

It is requested that the Examiner consider the submitted reference and that the IDS reference be initialed as having been considered and that the initialed form be mailed to the undersigned with the next communication from the office.

Respectfully submitted,  
HUFFMAN PATENT GROUP, LLC
